## **SB 2005 - HB 2080**

March 20, 2005

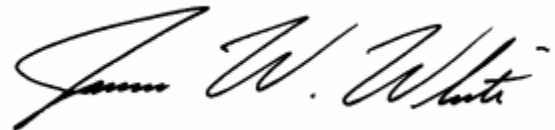

**SUMMARY OF BILL:** Prohibits municipalities from annexing territory subject to a permanent conservation easement.

### **ESTIMATED FISCAL IMPACT:**

**Other Fiscal Impact – To the extent that local governments would have annexed such property in the absence of this bill, there will be a cost avoidance in local government expenditures which could be significant. Any impact on local government revenues would be minimal because most of these types of properties are under greenbelt status and therefore subject to low property tax rates.**
